II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? (check all that apply)

Fill out the paragraphs in this section that apply to this case.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain): The amount at stake is more than \$75,000 because the defendants each committed treason upon the Constitution with the unlawful proceedings that took place on 9/2/2020 at 10:25 am. Each defendant is a employee of the United States and bound by oath to uphold (their) and support the Constitution.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. I E'Jai Bey was asking for change from people to get some food. I was located at Bravo Supermarket 300 Barton Street. I was approached by officer Lavasseur #127 and the owner of Bravo Supermarket stating that I need to leave or be trespassed from the estate because I'm committing a crime by asking for change. ~~(I told the two defendants according to article 5 of the constitution attempt to employ)~~ Then the officer asked for my name after I refused to give information the officer placed me in handcuffs and kidnapped me and placed me under arrest. I went in front of a judge the next day and was let go under threat of being arrested.

IV. Relief I was charged with soliciting, obstruction, conduct which are not crimes according to Constitution.

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages. AS a relief I ask the court to order \$3 million in gold and silver, as stated in the Constitution Article 1 section 10 gold/silver shall be the only legal tender used as United States dollar. Until I can be paid gold/silver I will accept \$50,000 Federal Reserve Notes every month as a lien. I am entitled to this relief because each defendant is an employee and officer of the State and made the decision to commit treason to the Constitution/under the color of law intimidated and interfered with my right to enjoy the estate.
